

WHO WOULDN'T HAVE ONE OF THESE COSTLY PRIZES

It Is Up to you to Win One of Them
—The Time Is Short---June 16
the Winner Will be Named

Candidates in The Astorian's great popular voting contest are exerting every effort to win one of the prizes offered. The ending of the second week finds many changes in the list. Hundreds of votes have been cast in the last few days and some new names have forged further to the front.

The vote for the past few days has been heavy considering the short time the contest has been going on, and from now on it may be expected to increase daily. Tell your friends that you are out to win and that you want their votes. People help those who help themselves, and if you desire the beautiful automobile, piano, one of the free vacations, a scholarship or a gold watch, you will do well to speak to your friends or give their names to the contest manager, at once.

The contest department will help you all it can, but they cannot do it all; you must help yourself, and if you will work in conjunction with the manager of the contest department and be guided by his advice you will have a splendid chance to get a prize.

The free vacations, are all more than fancy can paint and will prove a never to be forgotten episode in the lives of those fortunate enough to take them.

You need not have your pleasure marred by one single unpleasant feature.

If you want a prize, get busy by getting your friends to subscribe for The Astorian.

There is a ballot box in the Astorian office where the votes may be deposited for any young ladies whom you may see fit to vote for. If you cannot bring the ballots to the office, send them in by mail to the Contest Manager and the votes will be accorded to the young lady for whom they are intended. The votes are counted twice, so there can be no mistake as to the proper number of ballots accorded to each candidate. The votes are always open for inspection to insure a fair deal.

HOW TO WIN.

Any young lady who desires to enter this great contest and win one of the magnificent prizes offered, should at once see that her name is sent to the contest manager. All that is necessary to win a prize is to receive the largest number of votes according to the condition mentioned elsewhere in this announcement.

Candidates should at once interest their friends in the contest and by united and energetic action induce as many people as possible to vote for them. Each nomination coupon cut from the Astorian will count for five votes for a candidate.

The nomination coupon will only appear for a few days. The easiest and quickest way to win is for candidates to ask their friends to prepay their subscription for six to twelve months. It costs the subscriber nothing extra to do this and they are saved the annoyance of weekly and monthly collections. By so doing you receive a special vote ballot which is good any time during the contest.

Orders for the prizes will be given the successful contestants at the close of the contest; same may be used by the contestant herself or disposed of in any manner she may see fit.

Any young lady residing in the above mentioned territory is eligible to compete in this contest.

Anyone who desires to vote in this contest may do so by ballots cut from the Daily and Weekly Astorian, or by special vote coupons obtained by subscribing to the Astorian. The coupons secured by subscribing to the Astorian may be held as long as desired and voted at any time up to the desired close of the contest, but ballots cut from the Astorian are only good for one week from publication and will not be counted if voted after the date printed on the ballot.

Persons living in one district are not confined to voting for ladies in their own particular district, but may vote for anybody in the race.

The offer affords the girls of Astoria and surrounding territory an excellent opportunity to travel or receive a business education at the expense of the Astorian.

INSTRUCTIONS FOR VOTING.

Enter the name of the lady whom you wish to secure one of these magnificent rewards in this contest at once. She may win an automobile, piano, a free trip, or one of the valuable scholarships. Better still, get the lady to enter her name and then vote for her. Those who get in on the start have the best chance of winning, so it is desirable that the names be entered at once in order to get a good start. Candidates who enter this contest do not necessarily have to be subscribers of the Astorian. Enter your name and your friends will do the rest. You will be surprised to see how rapidly the votes will come in, and what little efforts is necessary to win one of the rewards offered. Get in on the start and encourage your friends to vote for you; the rest will be easy. You will never know how popular you are until you enter a contest of this kind.

DISTRICTS.

The districts will be divided as follows: First district will include all the City of Astoria east of Twenty-second street; second district will include all the City of Astoria east of Ninth street to Twenty-second; third district will include all the City of Astoria west of Ninth street to city limits; fourth district will include all the towns in and around Ilwaco and Chinook; fifth district will include the towns of Hammond, Warrenton and Seaside.

HOW THE PRIZES WILL BE DISTRIBUTED.

The automobile will be awarded to the young lady receiving the largest number of votes in the five districts. The piano the second grand prize will be awarded to the young lady receiving the second largest vote in the five districts. The trips—one in each district—the lady standing second, will receive the scholarship and the third will each receive the gold watch.

Whooping Cough.

"In February our daughter had the whooping cough. Mr. Lane of Hartland recommended Chamberlain's Cough Remedy and said it gave his customers the best of satisfaction. We found it as he said, and can recommend it to anyone having children troubled with whooping cough," says Mrs. A. Goss, of Durand, Mich. For sale by Frank Hart and Leading Druggists.
